

PANAMATIC™

It's a Necessity – Not an Accessory!

- Easy to use
- Fits any tripod or camera
- Compact and lightweight

INSTRUCTIONS FOR USE

- 1.** Mount the Panamatic™ on any tripod and then attach the camera onto the Indexing Wheel.
- 2.** Level the tripod by setting the Bubble Level to centre.
- 3.** Take up to twelve pictures by advancing the Indexing Wheel one click at a time around its axis and taking one picture after each click.
- 4.** Download the pictures to your computer and begin the stitching process using any stitching software.
